

RedPill Simulations New Operator Purchase Term Sheet

Number of Units: _____

Price: _____

Delivery window: _____

All service included in service contract.

Service contract: First 6 months free. _____ per year thereafter.

Service contract* includes all software upgrades, *all new game builds*, free hardware repairs to any damage not due to misuse or neglect, hardware upgrades** at reduced rates, and all semi-annual and annual inspections.

Buyer agrees to pay for the first two years of service contract after the 6-month free introductory period. _____ initials

Additional years of service are voluntary, however, free game loads alone will be more than worth the cost of the service contract.

Purchase price includes all required hardware and software EXCEPT main processor (a PC meeting the minimum system requirements) and VR goggles, which must be purchased separately, either from RedPill Simulations or another vendor. The processor and goggles should then be dedicated for sole use by the NemoSine simulator.

_____ initials

Buyer agrees to never attempt to decompile, hack into or otherwise attempt to defeat or disrupt any RedPill Simulations software. _____ initials

Buyer agrees to install only RedPill Simulations approved software onto any NemoSine Processor. _____ initials

Buyer is aware that the NemoSine simulator they are purchasing is a piece of heavy equipment that operates and moves electronically, sometimes at high speed and large force. Improper or unauthorized use of a NemoSine simulator can result in injury or death. Buyer agrees that any operation of their NemoSine simulator must be by a properly trained operator.

_____ initials

Buyer agrees to lock or sufficiently restrict access to any unsupervised NemoSine simulator whenever any unauthorized people may be in its presence. _____ initials

Seller agrees to train up to 5 people to be NemoSine operators on the day of installation and at a time convenient to the RedPill installation technician. Training of additional persons can be conducted during regular inspections, for free, or for a nominal fee at other times. _____ initials

RedPill Simulations offers the preceding terms, which have been analyzed to maximize our respective and mutually desired success. Our expectation is that early reliability and value will result in orders for additional units as you observe the value that your first Nemosine Simulator delivers.

* Requires participation in the RedPill Simulations Quality Assurance Program (see addendum).

** Hardware upgrades are voluntary unless considered safety-related. Hardware upgrades delivered as part of our service contract will be

Addendum (Quality Assurance Program)
